REQUEST AND JUSTIFICATION FOR CHANGE

1. Necessity for change: A park drive adjacent to St. Joe Blvd. and an extension of Parnell Avenue over a park drive are in constant use by the driving public and surrounding neighborhood. Portion of said drive adjacent to St. Joe Blvd. is in a deteriorated condition. For that reason, and for the safety of the public, the drive is scheduled for improvement to conform with newly resurfaced St. Joe Blvd. and Parnell Avenue.

2. Will proposed change alter size of the project? Yes X No _____
If yes, explain: To the extent a park drive on the west side of St. Joe Blvd. and first drive south of Romy Avenue, approximately 100 Ft. in length, is to be improved.

3. Affect on operation and maintenance cost of this project: A driving portion of pavement will be improved that is used extensively by the driving public. This will alleviate the need for maintenance for years to come.
